

2019

Awareness Workshop on Entrepreneurship Development: Tirot Sing Memorial College, Commerce Department, organised a One Day Workshop on Entrepreneurship Development on the 14th May, 2019. The program started by welcoming the Resource Person Dr. Ricky Syngkon Head of Department Commerce, NEHU. The resource person started the program by explaining various types of entrepreneur and the values types of skills required for the Entrepreneurship Development in the contemporary context. Further, explained various types of business and their respective incentives and schemes which are available for the development of individuals and also explained about their interest rates.

The program has given good outcomes to the students in the contemporary content. In the last session Dr. R. Syngkon cleared the doubts of the students.

The One Day Workshop have given clear insight to the students to become successful entrepreneurs, on this of programs are very much essentials.
