

**2023**

On the 9<sup>th</sup> May 2023, the Department of Education organized an educational visit for B.A 6<sup>th</sup> semester Honours students to Langtor Higher Secondary School, Langtor. The students interacted with the Principal of the school on many topics on school management. The students also visited the school building including the library, laboratory, playground, staffroom etc.

The students have benefitted considerable from the interaction that they had with the management and the teachers of the school. It is an experience of effective on the spot learning for the students which is quite different from the usual classroom and textbook learning.

The visitation to the school at Langtor was followed by a trip to Mawphanlur, which created a further uplifting experience for the students. In total there were 37 students and 3 teachers who participated in the school visitation.

The Department of Education organized a Departmental Group Presentation for the B.A 5<sup>th</sup> Semester Education Honours students on 3<sup>rd</sup> October 2023. The students were divided into eight groups and each group presented paper on different topics of education. This activity helps in developing in students researching skills. It also builds students' knowledge in different topics.
